## PERMISSION/CONSENT FORM

Dear Parent or Guardian,

On September 13 and 14, 2018, Central AlabamaWorks will present Career Discovery 2018. We expect to host over 4,000 eighth grade students from Autauga, Bullock, Chambers, Coosa, Dallas, Elmore, Lee, Lowndes, Macon, Montgomery, Perry, Russell, and Tallapoosa counties, who will be transported from their school to the Southern Union State Community College, Opelika Campus. At Career Discovery, students will spend three hours exploring careers available in our region. Regional industries and businesses will highlight and create hands-on interactions that link careers to the classroom.

Career Discovery 2018 is a great opportunity for your student to take the first steps in planning for their future. Volunteers and teachers from your school will escort the students and make sure that they have a truly educational experience.

Students will visit the following Career Clusters: Agriculture; Architecture and Construction; Communication and Information Technology; Education and Training; Hospitality, Tourism, and Recreation; Manufacturing; Automotive Manufacturing; Healthcare; Public Service (Law, Police, Fire, Corrections, Military, etc.); Transportation, Distribution, and Logistics; and Energy and Utilities.

We are confident that this will be a rewarding and motivating experience for all our students and teachers. However, if you want your student to participate please complete the form below and return it to the school by August 31, 2018.
